SERVANT SPOTLIGHT

After retiring from Information Management at a clinic in Ohio, Trudy Lodge made Sevier County her home. In 2015, she found her place at Mountain Hope Good Shepherd Clinic, where her skills have been a tremendous asset. As a volunteer, Trudy helps with data entry and reporting for our dental, medical, and special projects. Her weekly presence and dedication have been invaluable to our programs.

Trudy's reliability and warm personality make her a joy to work with. Through her church, Our Savior Lutheran in Gatlinburg, she also helped host a COVID-19 vaccination event for the community.

Beyond her volunteer work, Trudy leads an active life—teaching Tai Chi and Zumba classes, while also running a pet care business. We are grateful for her generosity and commitment to both our clinic and community. Thanks Trudy!

MOUNTAIN HOPE GOOD SHEPHERD CLINIC CELEBRATES RIBBON CUTTING AT NEW GATLINBURG LOCATION

On September 17th, our Clinic held the ribbon-cutting ceremony for the brand-new Gatlinburg location. Despite rainy weather, a large crowd of supporters, including local residents, donors, staff, and volunteers, gathered to mark this exciting milestone in our 25-year history.

The new clinic will allow us to serve even more of Sevier County's uninsured residents, continuing our mission of providing compassionate, affordable healthcare. The ceremony also featured the dedication of plaques to honor the key contributors whose support made the clinic's construction possible.

We are grateful to everyone who attended and showed their support, and we look forward to continuing our work in this beautiful new facility.

RESOLUTION OF APPRECIATION TO MOUNTAIN HOPE GOOD SHEPHERD CLINIC

On June 18, 2024, we celebrated 25 years of dedicated service to our patients and community. On behalf of ETSU President Brian Noland and Dean Bill Block, Dr. Tom Kincer from Rural Programs presented a Resolution of Appreciation to Mountain Hope Good Shepherd Clinic.

The partnership between ETSU and our Clinic is invaluable, offering medical students and residents hands-on experience in rural healthcare. Our commitment to serving underserved populations aligns perfectly with the mission of Quillen College of Medicine.

We deeply appreciate our partnership and look forward to many more years of collaboration.
